

## Contributions and Charges Schedule 2024

Dear parents and carers,

Under the School Education Act 1999, schools are required to communicate to parents the expected level of contributions and charges that will be requested for the new school year. The School Board has ratified school contributions and charges to ensure compliance with the School Education Act 1999. Below is a summary of each of the five components for 2024.

### 1. CONTRIBUTIONS

At Landsdale Gardens Primary School, we ask for a Voluntary Contribution and Voluntary Information technology levy as per the schedule below.

Money collected from the voluntary contribution will supplement school expenditure to enhance the quality of teaching and learning programs.

Payment can be made at the commencement of the school year via the Campion Booklist or directly at the school office via EFTPOS or direct transfer. If you have any questions or require consideration due to personal circumstances, please contact our Manager Corporate Services, Vanessa Pierre.

### **3. PERSONAL ITEMS LIST – ITEMS FOR PERSONAL USE IN THE EDUCATIONAL PROGRAM**

The costs for these items vary from student to student. The requirements for each student are contained in the year level personal items list and include stationery. You can utilise the personal items list ordering system through Campion or purchase from your store of choice. Payment is made to Campion.

### **4. OTHER FUNDRAISING COSTS**

The P&C will conduct their own fundraising in 2024. Every parent and/or carer will be given the option of participating in fundraising.

### **5. OPTIONAL COSTS FOR NON-EDUCATIONAL COMPONENTS**

All schools, including ours, offer services that incur costs but are not directly related to education costs. These may be directly through the school or by way of the P&C or outside organisations. Examples of these costs include; photos, vacation swimming, book fairs, free dress days and charitable fund raising activities.

Parents need to be aware that costs of this nature may arise and have not been included in this notification of contribution and charges for 2024.

The contributions and charges have been kept to a minimum but do acknowledge the importance of parents contributing to ensure the learning environment is enhanced for all children at Landsdale Gardens Primary School.

Yours Sincerely,

Natasha Doyle  
Principal
